

Vote Now in Euromoney's 2012 Survey of the FX Markets

At Scotiabank, we are dedicated to providing clients with superior service, leading edge market intelligence and innovative FX solutions.

In order to continue to enhance and develop our award-winning FX services, we value feedback from independent surveys. Euromoney is now conducting its 34th annual survey of the global FX markets. We would greatly appreciate you taking a few minutes to complete the survey, which can be accessed at:
