

## ScotiaFX is Going Green!

Scotiabank is a major international financial institution, and our day-to-day operations have a number of direct and indirect impacts on the environment. We continuously look for new ways to reduce consumption and we routinely factor environmental considerations into our strategic decision-making process and consult regularly with stakeholders on environmental issues.

In an effort to further reduce our carbon footprint, we will be introducing the following change:

**Effective June 1, 2009, we will no longer be issuing paper confirmations for trades.**

Should you need to print your trade confirmation, you can access it online through the Settlement screen.

For further information or assistance with accessing your online confirmation, please call 1-877-999-7239 or 416-945-4802.
